

PANEL 3:
***Clients who used Interpreters
in Recovery Settings***

Facilitator: Ava Hawkins

WBP Conference
September 20th, 2013

Introductions

- AA/NA/Deaf Recovery cross border
 - AA
 - AA/CMA/Turning Point etc.
- Current at Turning Point – 1 month

Questions

1. Introduction: Name & What groups have you attended in the past (AA, NA, CMA, SMART, TP, etc)?
2. How long did you or have you been going to the group(s)?
3. What is it like for you being committed to attending the group regularly?

Questions

4. Do you have preferences of interpreters? If so, what qualities do you want in interpreters to have in order for them to work in these settings?
5. Do you feel your confidentiality is protected?
6. Are you comfortable with having interpreters or do you prefer to have a Deaf only recovery group?

Questions

7. What are the challenges you see with having interpreters (ie. knowing the 12 steps / 12 traditions)?
8. What has helped you in your recovery process?
9. Do you think interpreters are part of the recovery process?

Questions

10. What advise do you have for interpreters on whether they accept to work in this area?
11. What do you feel needs to improve?
12. Any last comments, if we have time.

Thank you
